CELEBRATING GOD'S GRAND PROVISION AS A DIOCESE

On May 7, 2017, parishes across the Diocese of SC will join together in a Diocesan-wide celebration of thanksgiving for God's provision of St. Christopher. This barrier island treasure offers people of all ages a place for restoration, discipleship, and worship. Surrounded by natural beauty and the presence of God's spirit, all ages have found love, adventure, and rest here for the last 78 years.

**Expect even more changed lives in the years to come!**
