SUPPORTING BARRIER ISLAND LOCAL OUTREACH PROGRAM

BECOME A SPONSOR!

For 35 years the Barrier Island Program has engaged hundreds of elementary, middle, and high school students a week. Last year over 10,500 participants had the opportunity to explore the outdoors, gain knowledge and awareness of the environment, learn team-building skills, make new friends, and just have fun!

All-in-all, the Barrier Island Program is a very positive experience, and a “go-to” program desired by all schools. However, not all schools can afford to come. The next best thing is The Barrier Island Local Outreach Program. If they can’t come to us, we go to them! BI Naturalists travel to Title One Schools in the Tri-County area, along with a selection of reptiles, amphibians, etc., and present a hands-on learning experience that kids really enjoy - all at no charge.

We are dedicating all sponsorship profits from the 5K Run/Hike to our Barrier Island Local Outreach Program. Proceeds will provide funding for travel to Title One Schools in the tri-county area, bringing a taste of The Barrier Island Program to the kids who can’t afford to attend it at St. Christopher.

WON'T YOU HELP BY BECOMING AN BI OUTREACH SPONSOR?

Sponsorship investments are available in \$500 increments.
Any and all donations are welcome, though!

WHAT'S IN IT FOR YOU?

1. **Satisfaction:** You made a difference in the life of a child.
2. **Student advocate:** Your business positioned and perceived as empowering students.
3. **Exposure:** Several markets via signage, race shirts, the internet, and printed materials. (The larger the investment, the more recognition space.)
